Sir:

Applicant hereby provides an amendment supplemental to the amendment filed January 18, 2001. This amendment is provided in response to the telephonic suggestions of Examiner Devi. Claims to methods have been canceled to provide time to resolve differences as to those claims. The Applicant retains the right to file divisional applications claiming the subject matter of the canceled claims.

Attached hereto is a Request for Extension of time of 2 months to provide time for resolving differences relating to the cited application to put the claims in condition for allowance.

Please amend the specification in the following manner:

At line 3, amend the specification by inserting:

--The application takes priority from Provisional Patent Application 60/023,075 filed August 2, 1996.--

At page 3, line 19, delete "Macrosep" and replace with
